Leaders: Zach Behney, Nate Higgs

ACA Essentials of Canoeing Course

Date: September 16, 8 am

The ACA Essentials of River Canoeing course is designed as an introduction to paddling rivers safely. Participants learn to catch large eddies and perform simple ferries, recognize and avoid hazards, perform rescues and respond to emergencies on moving water rivers. No Experience Necessary!

Leaders: Bruce Saxman, Kevin Rafkin

Registration opens: September 7

ACA Level 3:4 Instructor Development Workshop/Certification Exam

Date: September 18-20

This American Canoe Association Instructor Development Workshop is for paddlers with prior teaching and paddling experience and is the first step to becoming an ACA Kayak Instructor. This may also be used as an instructor update for current instructors or certification exam for those who have already completed an IDW. Students should be comfortable on class 3 whitewater and have a reliable roll. For more details contact Bruce at the GreenMAP office.

Instructors: Ben Lawry, Todd Johnstone-Wright

Cost: Contact the GreenMAP Office
